Continuing care spaces to be redone at hospital

by Tamara Collins

The Calgary Health Region (CHR) announced exciting news last week, that their future plans include replacing the 60 existing centre spaces in Didsbury with 60 new spaces.

"We are moving forward with our plan to increase continuing care access in the rural communities of our Region, as part of our ongoing strategy to meet the needs of a growing and aging population," said Lauren Robinson, Interim vice president of Rural Health with the CHR. "As part of that plan we will be looking to replace and congregate the entire continuing care unit in Didsbury, which includes 60 spaces."

The 60 spaces Robinson refers to is in an old part of the Didsbury Hospital, and the CHR feels the time has come to replace that space.

"As part of that plan we will be looking to replace and congregate the entire continuing care unit in Didsbury, which includes 60 spaces."

-Lauren Robinson, Interim vice president of Rural Health, CHR

"We will replace it with 60 or more spaces, leaving the opportunity to expand it further," said Robinson.

The CHR will now deter-

The CHR will now determine their next steps to get the project going, but they say it will happen.
"It is our goal to do this

"It is our goal to do this as soon as possible," said Robinson. "We want to meet the needs of a growing community with an aging population now and in the future."

No decision from NRCB on AAA Cattle Co.

by Shawne Mohl

The never-ending battle between owners of AAA Cattle Company and the Committee for Lone Pine isn't over yet. Both parties have their fingers crossed that the Natural Resource Conservation Board (NRCB) decision falls in their favor

Simon Cobban, co-owner of the intensive feed lot operation just east of Didsbury, says that if the NRCB's approvals officer looks at the 'common sense of the situa-tion,' they should get their application stamped and sealed. They will be able to increase their cat-tle numbers to 18,200.

AAA's application was advertised for two weeks in area news papers, where those directly affected by the intensive feedlot operation could file statements of

There were close to 40 letters submitted against and for the application.

Each of the letters Cobban had to reply to and submit his feedback to the NRCB approvals of-ficer, who is in charge of considering the application for approval.

One of the letters of concern came from the Calgary Health Region (CHR), where they re quested that the water source in the area be protected by storing stocked manure piles, at least 450 meters from water sources.

Alberta Environment provided a letter to the NRCB, as well, which states that there is adequate water in the area for Cobban's op eration to go ahead, without affecting area neighbors, Cobban

One of the largest concerns from those opposed to the feedlot operation was the amount of water that the operation uses.

In the past, the Committee for Lone Pine chairman Murray Marsh has been quoted as saying that a feedlot operation that holds 18,200 head of cattle would use the same amount of water as the Town of Carstairs on a daily ba-

One of the other major concerns by members of the Commit-tee for Lone Pine is the quality of water in the area, as they feel that the feedlot has the potential to contaminate the land as well as the water source in the area.

Cobban says that just isn't true and that his company has spent thousands of dollars on installing test wells as well.

They have built their feedlot to meet the Agriculture Operations Practices Act (AOPA) specification the piece of legislation which governs operations like AAA Cat-

"The test results have shown that there is no impact to the en-vironment," Cobban said.

An earlier application which was approved by the NRCB, which was taken to the courts, forcing AAA Cattle Company to reapply, forced AAA Cattle Company to install monitoring wells.

The monitoring wells are tested once a year and to date, Cobban says, there has been no contami-

Cobban says that his familyrun business is looking forward to hearing the outcome of their application. He feels they will receive their approval allowing them to boost their cattle numbers back

up to 18,200 head.

"We are confident (we will receive the approval)," Cobban said.

"There is potential they could put more conditions on our applica-

tion."
When AAA Cattle Company received the approval for their ery first application back in 1998, their application was based on a lot of paper work because nothing was constructed at that time. Cobban says that now that their operation is constructed and in working order there is solid in-formation to show that his operation is not harming the environment in any way.

"We have actually constructed it now and the engineers have all stamped off on it," he said.

Marsh and the Committee for Lone Pine believe that AAA Cat-tle Company has really done nothing to address the concerns of the area neighbors.

"Little has changed with regard to the issues; water at the top, quality and quantity," Marsh said. "AAA has done nothing to assess environmental risk on its original facility.

Marsh, despite wanting the application to be denied, believes that the application will be approved, and has announced that he personally doesn't plan on spending much more to fight the ongoing battle between the two

"I anticipate the NRCB will eventually approve the facility, without sound science, as a result of pressure from the livestock industry. After all, the NRCB ad-ministers the Act because of the political lobby effort put forward by the Alberta Cattle Feeders Association and the other confined animal feeding organizations," Marsh said. "We've decided not to spend much more money on the NRCB process. I've been

pretty busy with my own calving." According to Cobban an announcement on whether or not the application is approved should be made within the next few

Lawsuit update

Cobban gave an update on a lawsuit which AAA Cattle Company has filed against a financial company, who supposedly falsely advertised AAA Cattle Company was going bankrupt.

Cobban says that the lawsuit will be fast tracked once his lawyers pinpoint everyone who was and wasn't involved.

The lawsuit is valued at \$1.5 million against Edmonton based company, Academy Financial.

Japanese visit with Didsbury

by Tamara Collins

A Japanese group came to Didsbury last week on a exchange to learn more about Canadian culture, and also to teach Didsburians a bit about themselves

"The whole thing went just awesome," said Luana Smith, event organizer, Town of Didsbury. "If anything we wish we had more time with them." them

The group from Miki, Ja-pan arrived Wednesday and started their trip off with some curling and a welcome banquet thrown for them at the Curling Rink. That night the 19 delegates met their host families and went home with them.

They got really attached to the host families," said Smith. "They were not here that long, but they were cry-ing when they left." The delegates also enjoyed

Deer River Friday night. "The roast was a big success, we had beautiful weather," said Smith.
"There is no snow in Japan, so they got in a huge snowball fight." The group wants to come back again and study hard their Eng-

Town is going to come here in July to thank us for welcoming the group," said Smith. "Everyone was so positive, they said how great all the kids are here."The group left Monday morning and continued on towards the mountains.

A Welcome dinner was held Wed, night in the Curling Rink Lounge to welcome the 19 delegates from Japan that came here to stay with local families for 5 nights.

Japanese Exchange Students Visit Westglen School

by Cory Mitchell , Colby Wenckowski , Zac McCargar, Westglen students

On Thursday March 24th 15 Japanese students came to Westglen school as part of a exchange program called the maple program. Each student was paired up with one grade 7 or 8 student. On this day the Japanese students taught us their language, showed us games, shared breakfast with us, and spent half the day doing our regular curriculum classe

The first activity was the breakfast. Each Japanese stu-dent and their Westglen hosts, along with all the other grade 7's in Westglen, got to share a breakfast together. This was followed by an introduction of all the Japanese students. The Japanese students showed where Japan was located on the map and where their home town, Miki Town, was located. Miki Town also happens to be Didsbury's sister town in Japan. The Japanese also shared

some games and activities they do in Japan like yoyo's, spin tops, and cup the ball.

The planning for this event began last year when two of the teachers from Miki Town came to visit Westglen and had an idea for a cultural ex-change. They thought it would be a good experience for both the students of Miki Town and the students of Westglen. They arrived in Calgary on Tues-day March 22 and stayed for nine days. They spent their first night in Calgary and did some of the activities Calgary

has to offer. They arrived in Didsbury on Wednesday after-noon for a welcoming dinner at the curling rink. There they enjoyed some Canadian cui-sine. They also met their billet families. Friday and Saturday was spent with their billet families learning what life is like for an average Canadian fam-ily. Then on Saturday March 26 there was a farewell party for the Japanese students at the train station. From there they left for Banff to enjoy some winter activities. Their plans consisted of going out for a barbecue by the James River, Canadian dog-sledding by Canmore, and some snow-shoeing by Bow Lake. Their trip ends on Thursday March 31 when they head back to Miki Japan.

EDITORIAL

Animals of Easter

TAMARA COLLINS EDITORIAL

One of the biggest mistakes that parents can make at Easter is to surprise their children with chicks and ducklings. Although every little chick is beautiful the reality is that these chicks and ducklings grow up to be large birds with specific needs that don't fit in with the lifestyle of most households.

Parents should also be con-

Parents should also be concerned about chicks and ducklings because they can cause Salmonella poisoning which has been linked to these birds. Rabbits are also popular Easter

Rabbits are also popular Easter gifts and can live up to 10 years of age or more. Many people do have

rabbits as pets, however, they require housing, a special diet and veterinary care. Generally speaking, like most holidays, Easter is a hectic time of year, and if you decide to include a rabbit as a part of your family, it's better to wait until after the holiday and make sure that everyone is willing to pitch in and help with its care.

The Humane Society is now facing their busiest time of year, just after Easter when families start realizing what they have gotten themselves into, and bring these bunnies and ducks to them. Maybe next year things can be different!

Partnership Funds Drive Rural Transportation Projects

Rural communities will benefit from \$9.75 million to be directed towards 34 transportation infrastructure projects announced today through the Infrastructure Canada-Alberta Program (ICAP).

These projects will improve transportation infrastructure in rural communities across Alberta and increase community safety,

and increase community safety, which are ICAP priorities.
Deputy Prime Minister and Minister of Public Safety and Emergency Preparedness Anne McLellan, on behalf of the Honourable Stephen Owen, Minister of Western Economic Diversification and Minister of State (Sport), and the Honourable Dr. Lyle Oberg, Alberta Minister of Infrastructure and Transportation, made the announcement today.

"Through partnerships, the Government of Canada is committed to investing in sustainable infrastructure projects that find local solutions for local challenges," said Deputy Prime Minister McLellan. "The vitality of our communities is essential to building a better quality of life for all Albertans."

"I am very pleased to support projects that improve quality of life for residents," said Dr. Oberg. "The projects announced today represent what's important to individual Alberta communities, because they're initiated by the people who live in those communities. We will continue to work together with municipal and federal governments to respond to the needs of Alberta communities."

The transportation infrastructure projects announced today improve overall Alberta community traffic management, public transport, commercial vehicle operations, emergency response management and vehicle safety, thereby sustaining economic growth and supporting a better quality of life for Albertans and their communities.

Featured in today's announcement is the Smoky Lake County access road upgrades expected to increase tourism to nearby Hanmore Lake and Sunrise Beach. The Town of Okotoks will also implement upgrades and extensions to their pathway trail system to increase recreational opportunities. The Municipal District of Northern Lights District No. 22 will install a bridge culvert and corrugated steel pipes along Lovlin Road.

To date, 677 projects have been announced in Alberta under this partnership program. With these projects, ICAP has exceeded its target of directing at least \$508 million in federal, provincial and municipal funding toward municipal infrastructure in urban and rural communities across the province.

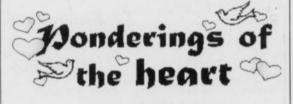

In Alberta, ICAP is implemented by Western Economic Diversification Canada and Alberta Infrastructure and Transportation, and is administered by a joint secretariat. The federal and provincial governments together will invest \$3.1 million toward the \$9.75 million announced today. The proponents will invest the remaining \$6.6 million.

The ICAP Management Committee approves the projects and

The ICAP Management Committee approves the projects and is composed of representatives from the governments of Canada and Alberta, the Alberta Urban Municipalities Association (AUMA) and the Alberta Association of Municipal Districts and Counties (AAMD&C).

"The Infrastructure Canada-

"The Infrastructure Canada-Alberta Program is a good example of a working partnership between all three levels of government," said Dorothy Moore on behalf of the AUMA. "The infrastructure needs of municipalities have never been greater. ICAP's versatile three-way partnership addresses infrastructure needs in all sizes of municipalities."

by Margaret Fradley

"We are All Different"

Isn't it wonderful that we are all different, all unique, all special. Even in similar situations we all react differently. Last week I shared about our little grandson and his experience in Kindergarten with demerits. Let me now share how his little sister (four) reacts to a similar experience.

One morning getting ready for Play School, our little grand-daughter spilled something on her uniform blouse as she was having her breakfast. Our daughter told her she might have to wear one of her brother's shirts just for that day, but she responded by saying "no, she didn't think so. She would just wear her white tee shirt". Then her mother said "but that isn't part of your uniform"- without missing a beat, she answered "but Mommy, who cares, it is clean" - demerits were not on her mind, just doing what she thought was right was enough for her. Coming from the same family, two such different views, is amazing to me. Sometimes we too feel forced to make decisions that we feel others expect of us, perhaps it is actually painful to do so, perhaps it goes against our grain, but the way others respond affects us, and makes it difficult. If only we could just be ourselves, do our best, and let it go, I feel life would be much simpler, healthier and certainly much more enjoyable. I know life will be much easier for our little granddaughter that seems to take things in their stride and is, at her tender age, not too much influenced by what others think. Something to ponder!!!

Thank you for attending the Easter Story

Dear Editor;

Once again those of us who attended the annual presenta-tion of the Easter Story at the Redeemer Lutheran Church were reminded of the powerful

story of the death and resurrection of Jesus Christ. It was again a reminder of what this means to each one of us who can find new life, have life eter-nal with God because of the

sacrifice of His Son Christ.

We did indeed journey back to that event which changed the course of life. We thank the cast and those who played a vital part in again presenting this 'special hour', for their dedication and hard work. Attending this production every year we find more and more the cast taking on the role of those they portray, and it is a wonderful way to bring us into the spirit of the Easter Season. God bless you all.

Sincerely, Margaret Fradley For more letters see page 16.

Straight From the Table

New Sundre Public Works Shop: Council has approved recommendations to build a new Public shop in Sundre and to continue discussions with Town of Sundre for a possible partnership that may incorporate a salt/sand facility and the potential for expansion in the future.

MCRWMC Makes Solid Progress: As part of the 2004 Financial Results Overview, Council learned that the Mountain View Regional Waste Management Commission earned an operating surplus in 2004 which will be used to cut its accumulated operating deficit in half. With County administration support, the Commission has made significant progress in its turn around plan.

Water Valley North Road Gets Green Light: The tender has been awarded and pre-construction meatings have been scheduled. Construction will be starting shortly. Residents will be kept apprised of road

County to Share Ambulance Funding: Council approved a motion to share a portion of its 2005/06 Provincial Grant with other members of the MVRESC. This decision was made because the County learned that the County's per capita rate is \$ 23.40 while the five urban centres were awarded \$ 16.61. In the spirit of regional cooperation, Council unanimously agreed to share a portion of the County's allocation to ensure equity with all Commission members.

County Supports Sundre Community Services Project: Council has approved a recommendation to apply the County's Recreational Capital Grant and at least 50% of the County's ME First Loan Program eligibility to the Sundre Community Services Project. The Recreational Capital Grant is based on matching funds from the Town of Sundre and local residents/businesses.

Corporate Review Process in Hands of Consultant: To ensure objectivity for the corporate review process, members of the public are encouraged to contact the Consultant George Cuff directly in writing by phone with concerns or issues. The Consultant will handle all inquiries confidentially, take all input undadvisement, and make the decision to initiative interviews or further contact with residents independently. CHINOOK'S EDGE SCHOOL DIVISION

CESD students to participate in 25th Terry Fox Run

by Tamara Collins

Students of Chinook's Edge School Division (CESD) are once again showing their generosity and spirit with their decision to take part in this year's Terry Fox Run.

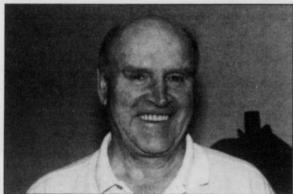

Canadian hero, Fox, had a dream that unified the country, this year will be the 25th anniversary of the Run and the CESD students are easer to participate.

eager to participate.

"The students are the ones who said they wanted this," said Roy Brassard, Chairman of the CESD Board. "Since the Tsunami relief started they have a greater desire to take part in these events, they want to reach out to others and I think it is great."

think it is great."

The 25th Run for the schools will take place on September 16th, while the regular Terry Fox Run will follow it on the 18th.

Roy Brassard, CESD Board Chairman

Brassard. "The students amazed me at their response to the RCMP after their tragedy. There is constant growing awareness of the benefits we have, and this is an extension of that."

To date 3000 schools across Alberta, the Northwest Territories and Nunavut have registered to take part in what could be

the largest event of its kind.
"With nearly 2300 schools in our region we have a long way to go and short time to get there," said Laurie Rooksby, School Coordinator for the Terry Fox Foundation. "It is the

support of school divisions that will prove critical to our success. This event will fulfill the vision of Terry Fox. It will give hope to those stricken with cancer and raise millions of dollars

for cancer research. It will inspire students and other Canadians to volunteer action. It will garner worldwide attention and will be an event of enormous impact on our nation's youth."

Crisnd releases first album

by Tamara Collins

For the past seven months local guys, Steve McMullen, Joel Couture, Warren Steckly and Nick Kurtz of the band Crisnd, have been working hard on putting out their first album.

The band has been together for the past five years, and now they felt, was the right time to release their first album. "It is the biggest thing,

"It is the biggest thing, the best representation and the most serious, a band can give itself," said McMullen. "A professional cd shows a band is for real."

The cd was recorded in Calgary by Andy Ericson. "It was great working

"It was great working with him, he made everything very easy for us," said McMullen.

In celebration of this trademark for them, Crisnd will be throwing an album release party at JDs this Friday and Saturday night starting at 9 pm.

"There is no cover, but you can buy a cd for \$10," said McMullen.

The band wrote all their own tracks, and even did the album concept. The album will be selling around town, and you can also pick one up through the band.

"You get one chance to be young and in a rock band," said Couture. "We want to do this while we can."

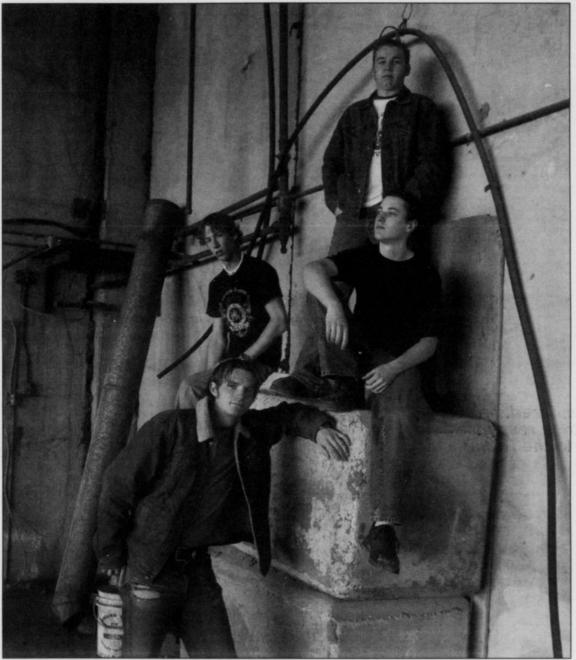

The goal of the band is to just do their best and push as far as they can.

as far as they can.
"Hopefully one day we can even make a living off this," said McMullen.

For the past month and a half Crisnd has been getting gigs every weekend. They recently got back from doing a show in Edmonton at Reds.

Crisnd's album was entirely funded by themselves, which they are very excited about.

"We don't have to worry about paying people back, and that feels great," said McMullen. "We just want to encourage people to come

Jackson Women's Institute Update

Our Jackson Women's Institute met at the home of President Ev Robertson for our Mar. 23 meeting. Ten members and 3 guests were present: Darlene Parker and present: Dariene Parker and Australian Ag. Exchange students Alissa Strong and Simone Dax. Ev chose "The Old Grey Mare" for our song before we repeated "The Mary Stewart Collect". Ev then read from "A Patchwork Collection of Interest-ing Stories". One told of the legacy of orally transmitted stories that quilts used to tell: ways to guide runaway slaves as well as to let others know facts and information through coding and symbols on quilts. Our Roll Call of a new

Recipe brought a scrump-tious array of baking items which were later enjoyed for lunch: Honey Pecan Squares, Scones made with mashed potatoes, meat pies, Zuchinni slice, Ginger Shortbread, Pecan Clusters, Marachino Squares & Dan-

ish Apple Bars. Darlene Parker informed us of her intention to join the 60 km/ 2 day walk next Aug. 12 - 14 in Calgary to support the research for breast cancer

Our Wild Rose Constituency Conference to be held Apr. 9 at the Cremona Gold & Silver Centre will commence at 9 AM with Registration, with the meeting / reports scheduled to begin

at 10 AM. All Handicraft items must be brought in be-fore 10 AM. This year there will be People's Choice Categories as follows: 1/ Sewing; 2/ Crocheting & Knitting; 3/ Photography & Art; 4/ Quilting; 5/ General; 6/ Needlework. We are urged to bring our own coffee mugs & soup bowls to lessen clean-up time. Diane Page will be serving the noon lunch. The Public are invited to come at 1:30 PM to hear our guest speaker Stephanie Bennett, a teacher from Cochrane High School, speak on solar panels and how they have been used in their school.

Joan Foat will search fur ther into the new AWI Project of a Writing Compe-tition on "My Alberta Family" for Grade 5 & 6 students in our Cremona school.

Retiring District Director Blanche Cunningham sent a letter thanking all the Branches for their support over the past 3 years and urges us to support her suc-cessor Brenda Willsie. Blanche seeks contributions of jokes for the AWI Convention planned to take place at

Camrose June 7 -9. Congratulations to our own author Noreen Olson for being nominated for The Stephen Leacock Memorial Award as well as the Grant MacEwan Author's Award for her first book. We are very proud of her accomplishments.

The Federated Women's Institute had begun a project to assist women and children in communities in the far north of Can. Hopedale has a population of 610 and one third of them are chil-dren in need. Sheshatshui has 1300 residents - all very isolated with many problems and needs. Money donations are always welcome, but so is food, fresh water, books, education supplies and espe-cially baby items. A motion was carried that we collect and bring baby supplies to

our May meeting.

Lita Reid was alerted about the documentary on 'Nettie Weibe - Prairie Activbeing shown on Vision TV Mar. 23. Our National Executive is also asking whether there is interest from any WI's across Canada in corresponding with New Zealand WI's. Dorit Bird, on behalf of

our Branch, took flowers and hearty Get Well wishes to Mary Jane Davies, as she has spent some time in the Peter Loughheed Hospital.

Marie Olson announced e Water Valley Art Show will be held Apr. 30. The committee is seeking handicraft and arts for exhibit: all entries should be brought in

on Fri. PM Apr. 29th.

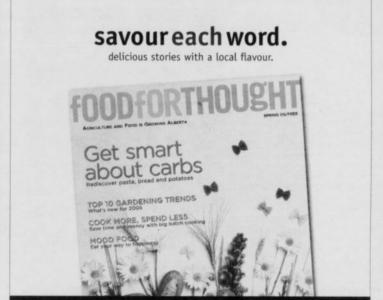

Joan Foat's Topic on
Home Economics gave her an opportunity to introduce Simone Dax and Elissa

Strong who proceeded to tell us about their food products in Australia. Pavlova, Lemington and Vegemite are basic staples, with lots of citrus fruits, mangoes, ba-nanas and avocadoes easily grown. We learned much from the girls and wish them well during their stay in our community.

Noreen's Bit of Fun an original "Imaginary WI News Report" on a WI meeting, plus an account of a clerk educating a man on the choices he had in choosing a bra for his wife.

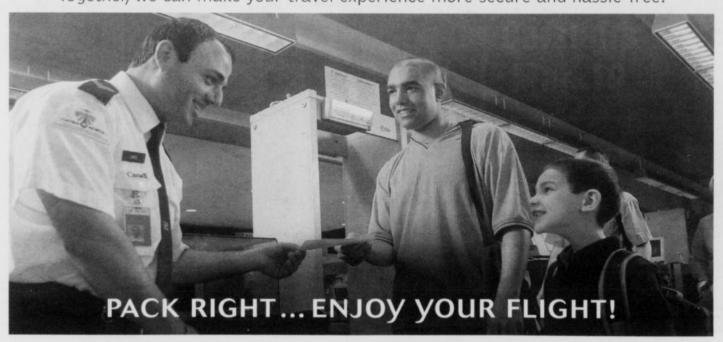

Don't forget the Con-stituency Conference at the Cremona Gold & Silver Centre: the Guest will be speaking at 1:30 PM and the Pub lic is invited to attend.

Our next meeting will be held Apr. 27 and we invite interested ladies wishing to learn more about WI to attend. Call Ev. @ 337-2052 or Dorit @ 337-2042 for more informa-

Your security is our #1 priority. Together, we can make your travel experience more secure and hassle-free.

Look for it at your local grocer starting April 1.

Here's why Alberta's regulated Natural Gas rates fluctuate.

Direct Energy Regulated Service is regulated by the Alberta Energy and Utilities Board and we pass on to our customers only the actual cost to supply Natural Gas - nothing more, and nothing less.

All regulated Natural Gas retailers in Alberta adjust their regulated Natural Gas rate monthly, using a formula reviewed by the Alberta Energy and Utilities Board (EUB).

Each month's rate reflects expected Natural Gas prices and is based on a normal weather forecast.

Each month's rate is forecast in advance which means a future adjustment may be required, e.g., if actual Natural Gas prices are different than forecast or if the weather is colder or warmer than normal, the adjustment, up or down, must be included in the next month's rate and is reviewed by the EUB.

The Alberta Government Natural Gas rebate program applies from November 30 - March 31.

NOTES FROM NIGERIA

Planning to take a trip home

Dear family and friends,

It was a very subdued, quiet campus when we got to school on Friday morning. Just before I left the house we found out that Steve Beacham had passed away the day before. We had been out with friends the night before so had missed the telephone call. Many of the stu-dents had heard the night before but this was the first time to be with friends and the reality of Steve's death was really hitting them. As Bible teacher at Hillcrest Steve had a great influence in the lives of the high school students and was much loved by all. He was home in the US undergoing treatment for cancer. He had spoken at the SIM chapel and was driving home when he died in the car.

Witnesses said he was slumped over the wheel before the car ever hit anything else. We praise God for Steve's life and the impact it had on so many. Please pray for Steve's family, his wife Beaj, his daughters, Christie husband, and her Carol and her fiancé, Josh and Laci. Carol is getting married this Saturday. coming Steve's memorial serv ice is on Good Friday with the wedding the next day. This will allow many friends who were already coming for the wedding to be there for the memorial service as well. Laci will head back to Nigeria on Easter Sunday to finish up her final few weeks of school. Beaj plans to follow as soon as she can afterwards. Pray for wisdom, strength and comfort over these difficult

Week two of our trip Budapest and Prague. Sunday ended up being quite a busy day. We went to church with Alvin and Mary. We didn't understand a word of the service but there were people around us who spoke some English and helped us to find the right hymn in the hymnal so we could attempt to join in. The choir

couldn't understand, we could worship. It was beautiful. One thing that has impressed me every time I have been in Hungary is the music in the churches. There is a long tradition of beau-tiful music and that tradition is being carried on.

People know how to sing well and appreci-

ate music. We met Szilvia for lunch and had a nice visit with her. She gave us some good information about getting visas and ideas for looking for places to live when we move there next year. We talked about some library things since she is the librarian at a Christian school in Budapest. She helped us get on the right bus to return to Eden House so we could get ready to have dinner with the Share Board. We had a very nice dinner and got to meet some more of the people that are a part of Share.

Monday and Tuesday we visited with friends, Dan went to dentist, repacked and moved boxes and just relaxed. On Wednesday we took the train to Prague. We got on the wrong train. It was going to Prague but by a different route with more miles in Slovakia than we had paid for so we had to pay extra. It was very frustrating because we had gotten on the wrong train another time so were very careful to show our ticket to the conductors in Budapest before getting on the train.

In fact, after we got on the train, Dan went back and asked another conductor to make sure we were in the proper car. We arrived in Prague without any problem, just a little poorer. On the way we went through what looked like a blizzard. The Librarian's Conference started on Friday morning so we had Thursday to do a little exploring around the city. We went to the castle and walked down to the Charles Bridge. Between the cold and wind and our

January 2, 1964 Time Marches
...Didsbury....Dial Phones This Month!

On Jan. 19,1964 at 12:01 a.m. Alberta Government Telephones will bring dial telephone service to Didsbury.

Total cost of the project has been set at \$203,417. Of this amount \$139,250 is being spent on dial equip-ment. Outside plant facilities are being installed at a cost of \$41,192. and new buildings represent an investment of \$22,975. Other expenditures will go toward cables, aerial extensions, toll and exchange facilities, outside plant equipment, and

miscellaneous circuits.

The costly installations that will soon be put into service are a far cry from those in use when the office was first opened. In the early days, one small switchboard and a few magneto phones were sufficient to serve the needs of the community.

Didsbury has grown, through the years, to the point, where there are now almost 900 telephone subscribers. This growth is expected to conumber of subscribers will increase to 1,300 within the next five years.

Seven-digit numbers are to be used on the new phones. All num bers will start with the same 3-3-5.

Robert Clark Wins By-Election

Robert Clark, 23-year-old school teacher, Wednesday retained Didsbury riding for the Social Credit party in a landslide victory over his two opponents, James A. Lore, a Carstairs district farmer, and W. H. Metz, mayor of Didsbury.

Mr. Clark is the youngest person ever to be elected to the Legislature.

Unofficial count has Clark, with 2208; Lore, 1161; Metz, 764.

This leaves the government with 60 in the 65seat House, with one seat vacant.

At press time only detailed results available were from the town polling stations. They are as fol-

March 17. 1966 Ramblers win final CHL

The long, seven-year quest for the Didsbury Ramblers has been fulfilled.

After coming within an eye lash of winning the Chinook Hockey League trophy year af-ter year, and painfully losing out in years past, the Ramblers came out with the ultimate team prize Tuesday night at Innisfail. Remarkable in their finals

victory was the fact that the winners were clobbered by an 8score in their first game against Innisfail.

Tuesday night's contest started off as any playoff game

should with good check and little should with good check and little chance for scoring opportunities. Terry Hornbostel drew Innisfail's first period and only goal, but later in the initial frame Miller McCoy, with assists by Banta and Epp. put the Ramblers back in the game, and type matters at 1.1 tying matters at 1-1.

Both teams laid off scoring in

second period action.

The game's highlight came with less than three minutes remaining in regulation time when Miller McCoy scored the winner and what proved to be the trophy goal for Didsbury. with help from Banta and Youngs

Following some excitement after McCoy's lead goal, Tom Morris pre-sented Rambler captain Herman Epp with the Chinook Hockey League

trophy, emblematic of team su

premacy throughout the current 1965-66 hockey season.

As was mentioned previously,
Didsbury has not received this tro-phy since the 1958-59 hocke; season,
but were recipients of it in 1957-58.

The only other team besides the Ramblers to handle it or three different occasions are the Olds Bees BLAST INNISFAIL 10-2

Saturday's crowd at the Didsbury Memorial Arena - said to be 1.012 paid - for the fifth game of the Chinook Hockey League final series was treated to a runaway scoring spree by the hometown Ramblers, ending up in a 10-2 victory over lanisfail Eagles.

Didshury popular in for each

Didsbury popped in four goals-two by Jerry Sagstuen - to have the game already put away. Peters and Janzen scored the other two Ramblers markers.

G. Severtson was unable to put Innisfail back in game contention early in the second period, as a Didsbury offensive of four more goals put the local machine up by an

Third period action saw Didsbury pull into a rather commanding 8 - 1 lead. Didsbury marksmen were Sagstuen, Dale Krebs, Peters and

Jan. 5/61 New M.L.A. Reports On

County System...
(Following is a note received in this office from Mr. Robert Clark. newly elected member of the Al-berta Legislature for the Didsbury constituency. Has to do with the new County System).

At a recent meeting held in the Didshury High School it was an-nounced that the Municipal District if Mountain View and the Olds School Division will become the County of Mountain View on Jan.
1st. 1961. The county type of local
self-government was provided for in
the County Act of 1950. Since that time 12 counties have been formed and four more, including ours, are to be formed on Jan. 1st of 1961. There will be seven councillors, and they will serve the same sub-divisions that the M.D. councillors served in the past.

The county council may change the number of councillors if they see fit after they take office. nation and election will be com-pleted so that the newly elected county council will be able to hold its first meeting in early March.

Trade Show entertainment

The Didsbury Trade Show is a sure hit this spring with constant local entertainment on the Tanas Concrete Stage throughout the event. The entertain-ment starts at 10 a.m. Saturday morning, April 9th in the MPR and goes all day.

Hosting the entertain-ment on Saturday will be CKLJ 97.7 FM Radio's Brian Stephenson, and on Sunday the station will continue to broadcast live from the Trade Show with Dan

The Didsbury Trade Show Committee approached CKLJ about doing the stage and they are pleased to fea-ture acts from local talented individuals and groups that are showcased on CKLJ's "Local Talent Feature" Saturday mornings at 10:05

"There is lots of local talent in the area and it is great to be able to showcase it."

-Melanie Hepp, CKLJ

a.m.
"There is lots of local talent in the area and it is great to be able to showcase it," said Melanie Hepp, CKLJ. "We have been doing our Talent Feature since we went on air." This years entertainment schedule on Saturday ment schedule on Saturday is, 10 am - Latigo, Cowboy Poets from Cochrane,11 am -Denver Daines, Innisfail, 12 noon - Debra Ainsworth,

Calgary, 1 pm Gislason, Innisfail, 2 pm Tim Hus, Calgary, 3 pm Kelsey Foat, Carstairs, 4 pm - Rob Russell, Crossfield, 5

pm - Rob Russell.
On Sunday at noon Ken Hoo
from Didsbury will take the stage, then from 1 to 4 pm the Fiddlers Jamboree will entertain, back by popular demand! "We are happy to be doing it," said Hepp. "It should be a great time.

Didsbury girls bring home medals

March 11 to 13 the best skaters in Alberta, North-west Territories and and Nunavut arrived in Whitecourt to compete at the StarSkate Finals, and among those skaters were two Didsbury girls. Each of these girls was proud to bring home a silver medal.

Sarah Baker won a silver

medal for Gold Skills in the

event.
"It was pretty much all foot work," said Baker. "I was not surprised I won, I was the provincial champion last year.

Baker has been skating for eight years, and is pres-ently with the Airdrie Skating Club

"I skate four to five times a week, it is fun, my favorite things to do are the jumps and spins," said Baker. "But it is a lot of committment."

Baker who is also a grade ten student at DHS and works part time, has decided to take a break from skating right now.

"It is a lot of work, so I am going to break till fall then decide what I am going to do," said Baker.

Allison McCoy also took home a silver medal, only for Artistics. McCoy won her medal for a drum line she did. "We had a good time," said

Baker. "I was happy with my medal."

Sarah Baker

Skaters head off to Prince Edward Island

Erin Palin and Kristy

Erin Palin, Kristy Casebeer and Tracey Mah-Giles from the Carstairs Figure Skating Club, are heading to Charlottetown on March 30th to represent their club and province at a

Eric and Kristy will be com-peting in the Star Skate Silver Dance Biathlon. Their coach Andrea St. Cyr stated they have achieved a lot of success aleady, though they are a relatively new dance team. Eric and Kristy have compatible skating styles and personalities she said.

They work very well to-gether, their marks will be a compilation of three events. These are their Original Silver Creative Dance, and two compulsory dances, the Rocker Foxtrot and Paso Doble

Tracey Mah-Giles will be skating in the Adult Division. This is only the second year that this event has been offered on the National Level. Tracey feels that Adult Skating is gaining a higher profile. Young skaters have more opportunities to continue in their sport as adults. A good example of this was the Carstairs Ice Aged Classic held earlier this year. International xposure is possible as well. Oberstorf, Germany is holding an adult event in June this year. The Adult Team from Alberta includes 10 skaters

whose ages range from mid 20's to mid 50's.

Accompanying these skaters will be Andrea and Monique St. Cyr offering their coaching expertise. Also premiere "skating dads", Darwin Casebeer and Lloyd Palin will travel to PEI as well. Carstairs Figure Skating Club wishes our three club mates the best of luck and suc

We invite everyone to come and see them skate at the Carstairs Carnival to be held on Saturday, April 23rd. This skat-ing gala will showcase all our skaters from Canskate first year level to the Senior Competi tive Skaters. Inquiries to Mary Ellen Speers at 337-2330.

Didsbury should remain closed on Sundays

Dear Editor;

I would like to respond to Mrs. Windsor's letter to the Editor of March 16th calling for the merchants of Didsbury to open on Sundays.

One of the reasons I find Didsbury so refreshing, is that we do observe Sunday closing. I disagree with Mrs. Windsor's statement, that if shoppers find the majority of stores in Didsbury closed on Sundays, they will be encouraged to shop elsewhere, on a permanent basis.

We all know that many of us travel to Red Deer to do our Costco run, or visit Wall-Mart. There are quite a few items not available for purchase in town and the reality is that we do have to go elsewhere sometimes. Opening on Sunday will not change that fact. When I know that what I want can be purchased here, often at the same price or less than in the city, I do so. I like to shop here. I like the clerks calling me by name, and being willing to chat a bit when I enter their store. I find these small courtesies important and not available to me in Red Deer or Calgary.

As for the weekend being the two biggest days for home renovations I think the local shop, can attest to me being a renovation-nut. Because I know the stores will be closed, I plan my projects, find out what I need and purchase it ahead of time. If I do run into a problem and need something unexpectedly, I try to work

around it. Much like what most rural residents in the area do. It is not always practical to run to a store, when you live an hour away.

With regard to shopping as a recreational activity: for some people this may be true. Didsbury does not have the variety of stores available at a large mall. People who use shopping as a form of recreation; usually like to spend hours walking around browsing. We cannot pretend to compete with mega malls, so being open on Sunday will not encourage these people to stay in Didsbury. What it will accomplish though, is to deprive some people of the pleasure of being able to stay home. I can understand why owners and

workers would be reluctant to embrace Sunday shopping. Now they must work on both of the days their families are home, instead of just one, as before.

Mrs. Windsor states "consumers are demanding a higher quality, more convenient service". I cannot see where closing on Sunday has an affect on the quality of service I receive from a business. On the contrary. I think remaining closed on Sunday I'll indicative of the value system of a community. It demonstrates a belief system that values family time over the pursuit of an extra dollar.

Yes, most shops are closed in town on Sunday, but in an emergency, I can still get a quart of milk or a bottle of Tylenol at AG Foods. I think the ability of my neighbour to be able to enjoy their Sunday with their family and friends, is greater than my need for that new blouse or a box of nails. I can wait until Mon-

day, thank you.
Sincerely, Wendy
Bauer

Dear Editor;

I am writing this letter in response to the article "Local businesses should open on Sunday". I strongly disagree.

I was born in Didsbury & have always been proud to say this.

We moved back here to retire in 1989 & it was still the friendly 6 day a week shopping town.I believe that Sunday is a day of rest, a family day and if you prefer to attend your church service be thankful.

If I were a shop owner I wouldn't be too happy to pay the time and half pay and also I would prefer being with my family for a picnic, a country drive, skating, skiing, visiting the library or whatever just to be with family & friends.

Count your blessings Didsburians - we have a great town.

Wynne Wollen

May 6/65 New Canadian Flag Raised At High School

Students of the Didsbury schools and some interested by standers wit-nessed an impressive flag-raising cer-emony Tuesday afternoon. Principal H.

Stiles presided over the gathering. Lloyd Quantz led the singers in "O' Canada," followed by an enthusiastic talk by M.L.A. Robert Clark on how a nation formed by peaceful means such as Canada does not immediately feel the need for a symbol of their nation-hood. He said the choice of a national flag at this time is representative of Cana da's national maturity.

The Union Jack was then lowered by two Boy Scouts, Howard Janzen and Ross Chapman. Keith Krebs, Student Union president, then raised the maple leaf flag and Rev. C. Guebert gave the

Membership Chairman I. Holub

Aug. 26/65 Finally attention: a highway

After many long years of badger ing, begging and beefing, the former Board of Trade and the present Cham-ber of Commerce and other numerous patriotic local alignments, Didsbury has finally been granted a No. 2 highway sign large enough so that in order to se it there's no squinting or eyeglass ad

Yes, the time has finally arrived when we're on a par with other towns along No. 2. But the question here is why did it take so long? Certainly a name plate be a telling factor not only for identification purposes, but also for prestige. It would be absurd to think of making

highway town signs in proportion to the sizes of the largest city to the smallest hamlet. Buffoonery. We received just what was asked for ... a nice green and white sign "Didsbury." in a comparable size with which highway travellers identify other Alberta centres. The please is all or

New Post Office Opens Today

The big switch into the new post office took place Wednesday afternoon and the gates opened at 8:30 a.m. today (Thursday). Those who held keys in the old post office are asked to turn them in for new ones S.A.P.

As has been mentioned before there will be no ribbon cutting ceremonies but 'twould he a good idea to drop in and inspect the new ses - whether you expect a cheque or a check-up or an overdue account

This time around your reporter has to go along with "Dief" he did produce something "our town" can be proud of. Are you listening. Mr. Manning?

Oct. 11/67 editorial comment This plan holds water

Didsbury residents are cautioned against taking too much stock in the heresy that construction at the Butte is a preliminary stage of a missile launching pad, or that a golfer had struck gold while trying to locate his golf hall in a gopher hole. Neither of these two stories hold much water.

But it is true that there is construction at the Butte, but it's a far more logical and useful cause than the gossip gobblers would have you believe. The Town of Didsbury is construct-ing another water storage tank which will augment the one which has existed since a central town water supply was inaugurated back in 1950. That is it: no launching pad, no gold mine and another rumor dispelled. But the real purpose does hold water!

Oct. 20/60

United Missionary Church Un-veil Cornerstone For New Church.

Last Sunday was a memorable day for the members and adherents of the United Mis-sionary Church. Not only was the message of the morning in keeping with the unveiling of the corner stone, but , the Junior Salvation Army Band from Calgary was there to bring selections on their brass instruments that greatly enhanced the entire service.

Rev. W. D. Annett spoke on "Love, the Chief Cornerstone", and emphasized the fact that only as Christians love one another they ought can the work of a church prosper. It is essential" said he "that as we enter the new church soon that love be the corner stone of its work and progress.

After the service the minister, followed by the band, led the congregation to the front of the new church. The band stood on the steps and played several selections as the mem

bers gathered around. After the reading of Psalm 100, and the must be occasion, a ladies trio from the college occasion, a ladies trio from the college. of Psalm 100, and the ritual for such an "We are Building". Mr. Annett sa that various documents were hidden within the corner stone - names of members, conference records, names of the building and finance committee, contracts, blue prints etc. Several issues of the Gospel Banner, the church paper were also placed there.
Mr. Ira Stauffer, co-chairman of the

rch board and Rev. Alvin Traub then carefully and effectively unveiled the plaque on the corner stone indicating ame of the church and the year of its building. The band played The Churches One Foundation and Mr. Neil Neufeld led the entire congregation in singing "The Solid Rock", It an impressive service, Rev. Oara Traub pronounced the benediction. The church will be beautiful and worthy of its congregation.

January 6, 1966 Fire destroys curling rink

Unlike lighting, tragedy does

strike twice in the same place. Such fate has befallen a building often referred to as Didsbury's most complete and comfortable meeting

Five alarms were sounded at approximately 5:00 a.m. Thursday, Dec. 30, to which the Didsbury Volunteer Fire Department responded to amid 20 degree temperature. 100 PER CENT LOSS

Receiving reported 100 per cent damage in the early morning fire was the less than one year old Didsbury curling rink addition, made up of three floors including main floor waiting room viewing area, basement and up-stairs banquet hall. The building had operated in its finished state for a small

At times during early stages of the blaze, flames threatened to spread westward into the domed curling area housing four sheets if ice. However, local firemen isolated the flames and contained burn ing to the recently built addition.

It is reported that Thursday's fire was concentrated mainly on the northeastern section of the structure on all floors.

Fire again threatened to cause more de-struction Friday following partial level-ling of the cinder-brick walls. At that time, the local fire truck was again called on the quell resurgent flames. All traces of fire were then extinguished. During the smouldering period firemen stayed overnight day until the dans

THIRD SETBACK

Over the past seven years, this incident narks the third major setback to curling in Didsbury. In 1959 when, in the frame stages of building, the first domed ice covering was blown over and Didsbury club curlers fought back to start over and finish covering four sheets of ice. After installing equipment to produce artificial ice, the club agreed to build a modern, presentable viewing area and banquet hall in 1964. The second setback came at the polls in the spring of that year when ratepayers turned down the money by-law. Setting back con-struction a number of months.

Reliable reports have inferred that the site will be rebuilt to the value of \$48,000. Cause of the Thursday morning fire is

NEIGHBORHOOD

Focus on the Family

QUESTION: As a father, what should I be trying to accomplish with my son in his teen years?

DR. DOBSON: Someone has said, "Link a boy to the right man and he seldom goes wrong." I believe that is true. If a dad and his son can develop hobbies together or other common interests, the rebellious years can pass in relative tranquility. What they experience may be remembered for a lifetime.

I recall a song, written by Dan Fogelberg, that tells about a father who shares his love of music with his son. It is called "Leader of the Band," and its message touches something deep within me. The son talks of a father who "earned his love through discipline, a thundering, velvet hand." The father's "song is in my soul." The son himself has become a "living legacy to the leader of the band."

Can't you see this man going to visit his aged father today, with a lifetime of love passing between them? That must have been what God had in mind when he gave dads to boys.

Let me address your question directly: What common ground are you cultivating with your impressionable son? Some fathers build or repair cars with their sons; some construct small models or make things in a woodshop. My dad and I hunted and fished together. There is no way to describe what those days meant to me as we entered the woods in the early hours of the morning. How could I get angry at this man who took time to be with me? had wonderful talks while coming home from a day of laughter and fun in the country. I tried to maintain that kind of contact with my son.

Opportunities to communicate openly and build the father-son relationship have to be created. It's a goal that's worth whatever it takes to achieve.

QUESTION: Can you give me a simple definition of menopause?

DR. DOBSON: It is a time of transition in a woman's life when her reproductive capacity is phasing out. Menstruation gradually stops and hormonal changes occur. Specifically, the ovaries produce only about one-eighth the estrogen they once did.

This affects not only the reproductive system, but the emotions as well. If you are having irregular periods, if you frequently cry for no apparent reason, if you are having "hot flashes" or night sweats, if your interest in sex has diminished, if you have low self-esteem and are depressed most of the time, and if you lack the energy to get through your day -- you need immediate medical attention.

There is hope for women who are suffering from symptoms associated with menopause. Estrogen replacement therapy can help put you on your feet again. But there are other disorders that produce symptoms similar to menopause. That's why it is important to have a complete physical exam to get a definitive diagnosis.

3rd Annual Westglen Idol Competition

Article Written by Kasey Luft, Brayden Hopfe, Cody Lappalla

Mrs.C.Visser came up with the idea for Westglen Idol.

This event gives the un-tapped talent of Westglen a chance to perform publicly.

There were 26 acts, some of which were performed in lip sync, singing, instrumental, comedy, solos, duets, chair dancing and just good ol' fashioned dancing.

We even had a class per-formance. There was a wide variety of students participating from different grades

The MC's were great, thank you to Susanne Baril, and Robyn Lausen for keeping the crowd alive.

The judges were terrific and picked the right winners.

The judges were Mrs.Covey, Mrs.Flynn, Mrs.Reed, and Mrs.Fetes.

Thank you to all the participants and the volunteers that made this happen.

Great Job!!!!!!!

Halbauer, Ed & Rita Krebs

3. Nels Brian 4. Gary Gaudette

D Event

Ken Befus

2. Evan Ingram 2. Sharon Fulkerth

3. Bruce Smith

tainly ready for the sumptuous supper at 7:00 p.m. then the activities continued. Door prizes were won by Penny Lind, Gary Gaudette, Bob Waters and Curtis

Mousseau. Prizes for the Mixed League draw were awarded to

A Side

1. Curtis & Lana

Mousseau, Ric & Bree Phillips
2. Jim & Bev Wilson, Ray & Arlene Herrick

B Side

Tie between Doug & Lorraine Weigum & Bruce & Carol Smith and Vern & Shelley Wilshusen, Gil & Barb Dalziel.

The best + and team was Stan & Yvonne Laveck, Darcy Conley & Brenda Scott. The most honest team was Doug & Connie Luft, Larry & Sharon Hildebrandt.

Many articles were donated for the silent auction which was open until 11:00

A hearty round of applause was given to Keith & Laurel Mullen and Ken & Shelley Lewis for the league and the Bonspiel. The D.J. was ready to start at 9:30 p.m. and they danced the night away to bring another successful curling season to a close.

Didsbury Outlaws News

by Kodi-lynn Hunt and Stephanie Calkin

Since December 22/04 when we wrote our last article for the newspapers our club has had 7 rides. On December 12/2004 our club had a riding clinic with Barbra Holms, we had a choice between riding english and western. On behalf of our club we would like to thank Barbra Holms for coming out to the Olds College and giving us a great riding clinic. Our club held public speaking speeches on January 23, 2005. The members that moved on were Christensen, Ashley Rheanna Welland, Jillian Shields, Marissa Pratt and Shianne Kenze, Rheanna Welland went on and competed at regional level at Olds College March 12/2005. Our District Show is on May 14/2005 at the Olds Pavil-

We are looking forward to 4H On Parade at the Calgary Stampede Grounds the first week in June 2, 3, 4, 5. We are still open for bottles and batteries if you would like to donate to our club the Didsbury Outlaws please call Christensen at 335-9569. Our 4H club is selling 911 Rural Address signs. If you are interested in one of these signs please contact Leone Sager at 335-8977. Thanks to Leone for providing us with lots of fun and encouragement and keeping us strong!

Stick Curling bonspiel **Carstairs** Mar. 19

by Marge St. Clair

16 teams participated with entries from Olds, Didsbury & Carstairs and the results were:

Event -Garry & Evelyn Sherman Shierman

B Event - Carson & Marianne Schultz

C Event - Bob Green & Lorne Beaver

Event Rheo Chevtchank & Dave Campbell

Rodeo Chute Restaurant

The Rodeo Chute Restaurant opens its doors, And most quickly a table is set, 2000 pound slice of bull comin' right up,

From a menu they'll never forget.

The Rodeo Chute Restaurant, in comes a bull, And short orders...one Cowboy...to go! Bulls love a quick snack that comes served on

their back, And tastes great from beginner to pro Cowboy dishes beware cause bulls like Cow-

boys rare. As in rare that a bull eats in fun,

At the Rodeo Restaurant, Cowboy served

Mostly ends up ground meat and well done! Course there's always the case of a food change

Cowboy up...and sits down with a grin, Then he orders his favourite choice of the day, Take out bull topped with eight second win! The World of Sport brags about many a feast, But the absolute tastiest treat, A Rodeo Chute Restaurant serving Wild Bull, To a Cowboy...who can't wait to eat!

Frank Pavlick Canada's Sports Poet.

3 of our teams also participated in a Stick Bonspiel in Vulcan on Mon. Mar.

14th but lost out in the finals in 3 events, but had a most enjoyable day anyway.

We're really flexible...

ANNOUNCEMENTS

OBITUARIES

OYKA - It is with great sadness we wish to announce the passing of James (Jim) Steve Oyka on March 18, 2005 at the age of 77 years. Jim was born in Stockholm, Saskatchewan on January 1, 1928 and moved to the Turner Valley area after his marriage to his loving wife Bertha. In 1960 they moved to Didsbury to raise their family. Jim loved family get togethers and had great pride for the accomplishments of his children and grandchildren. He was predeceased by his parents Steve & Barbara Oyka, one brother Edmund Ovka and three infant sisters Elizabeth, Irene and Emma. He is survived by his loving wife of 57 years Bertha Oyka; one daughter Linda (Roger) Hosegood of Didsbury; one son David (Freda May) Oyka of Didsbury; 2 grandchildren Jeff (Teena Dunn-Kaupp) Hosegood and Bobbi-Gayle (Jay) Good both of Didsbury and 2 step-grandchildren Jason (Lani) May of Halifax and Joelle May of Calgary. Prayers were held on Monday, March 21, 2005 at 7:00 p.m. in St. Anthony's Catholic Church, Didsbury. Funeral Mass was held on Tuesday, March 22, 2005 at 1:00 p.m. in St. Stephen's Catholic Church, Olds with Father Les Drewicki celebrant. Memorial donations may be made directly to the Alberta Heart & Stroke Foundation or the charity of choice. As a tribute to Jim Oyka, a tree will be planted in the Heartland Tree Memorial Park, Olds. Heartland Funeral Services Ltd., Olds, entrusted with arrangements.

ADAMS - Patrick Reginald Adams of Calgary, AB passed away suddenly on Friday, March 18th at the age of 48 years. He is survived by his parents: David and Evelyn Adams; his brothers Charles (Janet), Steven (Dorie), Wade (Keri) and Randall (Carmen); his sisters Kathleen and Mary (Bill). Also survived by his nieces, nephews, relatives and friends too numerous to mention. A memorial service was held at the Carstairs Legion Branch #53 on Thursday, March 24, 2005 at 10:00 a.m. Cremated, remains will be buried at a later date with brothers Douglas and Bradford, at Westcott Cemetery in Alberta. Memorial tributes may be made directly to the Carstairs Legion #53, Heart & Stroke Foundation or Classic Aircraft Collection & Restoration Association. Arrangements entrusted to Mountain View Funeral Home.

MEMORIAMS

In Loving Memory of Karen Campbell ed away March 24, 2002 A million times we've missed you. A million times we've cried. If love alone could have saved you You never would have died. To some you are forgotten, To others a part of the past But to those who loved and lost you Your love will always last. It broke our hearts to lose you You didn't go alone For our hearts went with you mother The day God called you home Gods garden must be beautiful For you are there to stay The rose of love within us Will bloom again someday Till we meet again. Ross and Kids

- March 28/2003 No one knows how much we miss you No one knows the bitter pain we have suffered since we lost you two years ago Life has never been the same In our hearts your memory lingers There is not a day that goes by that we do not think of you Rest in Peace Dad/Grandpa Love you always

Support free votes on Bill 201. Your health deserves a fair hearing.

"I'll put it on the agenda and let the people decide. We'll put it to the public through the legislature and through the proper forum"

- Premier Ralph Klein, Edmonton Sun, January 22, 2005

emier Klein promised an open and public debate on to ue. The last time the government considered similar platation, the proposal was defeated behind closed do

recent ipsos Reid survey found that two-thirds of bertains support legislation to make all workplaces impletely smoke-free including bars, restaurants and arring establishments. Eighty percent of adult Alberts

legislation to make workplaces completely smoke-free.
Two more are expected to pass legislation this spring.

ertans don't have second-class lungs and deserve the se protection as residents of other provinces.

Democracy and your health

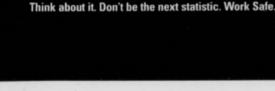

We urge the government to respect the ream of Albertain and the democratic process by allowing free votes on Bill 201. MLAs should be free to represent voters on this important outlies health measure.

Call your MLA toll-free at 310-0000 and demand free vote on Bill 201. Also urge him or her to support this important heath measure without weakening amendments.

Don't let Bill 201 go up in smoke

NEIGHBORHOOD

Open letter to the Calgary Health Region community, from the Region

One year ago, the Calgary Health Region and members of the communities it serves, shocked and saddened by the tragic death of two patients relating to potassium chloride. It was a painful and difficult time. I want again to express to the families how sorry

the Region is for what happened and our thoughts are with you. The critical incidents also af-fected the thousands of health care providers in the Region who focus on providing the best possible care for patients. It brought to the fore-front the challenges these professionals face in their work. I want them and members of the community to know that I am continually impressed by the level of skill and dedication all Region staff and physicians demonstrate each day. We can be secure in knowing our health care professionals are providing the highest quality care pos-

After the critical incidents, it was important to take action to ensure that the Region learned from what happened. There was one internal and two external reviews completed, which helped the Region re-examine our safety prac tices and procedures. In total, there were 121 recommendations resulting from the reports and the Region is committed to implementing each of them.

I am pleased to say we are well on our way there. Just a few ex-amples of the actions taken to date include: addressing storage and dispensing of potassium chloride, pro-viding funds to support safety training, and hiring full-time pharmacists. The Region also created a senior vice-president position to

demonstrate our commitment to patient safety and announced a budget of \$7 million for the safety agenda. By setting aside this fund-ing, it will be possible to fix safety issues in a timely manner. How-ever, there is still more work to be

The Region is working on de-

veloping important new policies clearly outlining how we share information on critical incidents with families and the public, with a focus on continuing to be open transparent and accountable. One of the policies focuses on creating

a just and trusting culture, where roles and responsibilities are de-
